SHORE 1915

1915 — before the Great War . . . before Lindbergh's flight . . . before Byrd's Antarctic Expeditions . . . a new school graces the landscape of Euclid, and is officially named SHORE. The eighteen students who roam the corridors almost get lost going from one to another of the four classrooms! One enters the library, and spends a great deal of time scrutinizing the books, which almost fill up two shelves. At the meeting of the senior class, both members have revolutionary ideas for improvements concerning the school; one even ventures to predict that the school will increase to fifty members in the future. Can such a change occur over a period of only a few years?

SHORE 1940

1940 — the year of miracles. One thousand students now occupy the two score of rooms. Two gymnasiums, a modern auditorium, the chemistry laboratory, a great deal of new equipment, and many modern conveniences . . . all these things are apparent even upon a hasty inspection of the building. SHORE had winners in oratorical and essay contests, has been given a high ranking for the "Breeze", is a member of the North Central Association of Accredited Schools, has acquired state-wide recognition in athletics . . . these are but a few of the honors achieved by the school.

OUR GUIDING LIGHTS

MISS ALBRECHT

Miss Albrecht, dean of girls, is on hand to discuss vocational and career problems. She has complete charge of all the attendance records of the entire school. Her untiring patience is a great asset to the school.

MR. PEAKE

Mr. Peake, dean of boys, is ready to discuss problems, either personal or otherwise, with any student. He has placed innumerable boys and girls in some field of employment, both while they are in school and after they have been graduated. Among his other varied duties are assisting in scheduling. Through his conscientiousness and hard work our days at Shore have been made more profitable.

MR. VOORHEES

Mr. Voorhees, director of pupil personnel, is known to very few students other than those who meet him under rather unfavorable conditions. He checks up on attendance cases, is attempting to improve the placement system so that more pupils may find work, and assists in many other respects. All of which makes him one of the most valuable members of the staff.

JUNE CLASS

President.....Anthony Papouschek
Secretary.....Jean Kodger
Treasurer.....Richard Grove

Seniors, at last! Now that we have earned that long cherished title we look forward to the future with great expectations. As Seniors we become concerned about the organization of the class activities, the studies of "Looking for a Job," the discussing of future plans.

As seniors we look back to our leadership in scholastic records, to our untiring energy in school activities. We take pride in our Senior play, in helping to lead our championship teams to victory. They were good teams and we know that they will be well-known in the future for their winning spirit and sportsmanship.

Those last few weeks brought many of the best pleasures of high school. The class party, the Prom, the memorable Senior Banquet and last but not least Commencement. We leave a little sadly but joyously to face the doubtful future and seek ever desirable success.

They Win Friends and Influence People

Friendship Club

Songs, laughter, gaiety, personality problems, joys and sorrows are all shared to make the ties of friendship stronger.

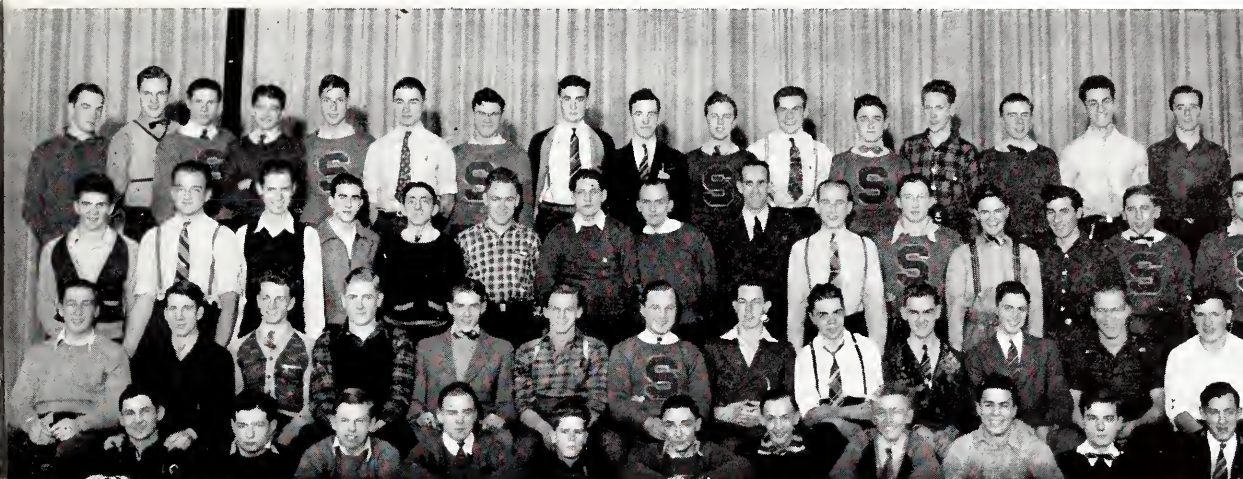

The Friendship Club came to Shore years ago, not as a school activity, but a small club of eighteen to twenty, which met at the various homes. Now as a thriving activity it boasts of a membership of one hundred and thirty. However, the clubs traditional candle-light service is still its means of recognizing new friends to add to the old ones.

After being formally recognized the members got together for hikes, parties and a grand week-end at Mary Eells Camp.

(Continued on Page 43)

For They Are Jolly Good Fellows

Hi - Y

One of the most active clubs in the school is the Hi-Y Club under the sponsorship of Mr. Schwegler and is composed of members of the junior and senior class.

The purpose of the club is "To create, maintain, and extend throughout the school and community, high standards of Christian living." All the boys try faithfully to aid and abet this purpose. The club also has a platform that all the boys try to live up to. It is "Clean speech, clean sports, clean scholarship clean living."

This year, among other things, the Hi-Y has held two basketball tournaments, a swimming party, has collaborated with the Friendship Club in staging the annual Christmas Dance, and with the same cooperation, aided in the sponsorship of a Charity Carnival, in which over one hundred dollars was realized with which to help the needy of Euclid. Several times during the year the organization has been honored by the presence of outside speakers.

The boys, by following the purpose and the pledge of the club, are being assisted more than they can now realize for their preparation toward entering the outside world.

(Continued from Page 42)

In December the Hi-Y boys joined with them in putting on their Charity Carnival and their Christmas Dance. In the spring came the traditional Mother-Daughter Banquet and informal installation of officers.

These various activities have been under the guidance of their interested sponsor, Miss Campbell who has helped them, "find and give the best."

Music Maestra Please

B a n d

The band and orchestra are two excellent symbols of true Shore spirit. Without their faithful performances in all of the school's various activities, many of them would have been unsuccessful. Both musical groups took part in a music festival presented in the spring. Many tedious hours of rehearsal are spent before their talents are realized. Shore has good reason to be proud of her musical organizations.

Orchestra

Sing . . Sing .. . Sing

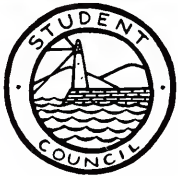

Chorus

Mr. Teeter, what number did you call? . . . Any member of the chorus may hear the familiar words during first period. The girls in the Glee Club all robed in black gowns, were a "hit" at the mid-term commencement. Nothing can compare with the sound of a group of human voices blended in perfect harmony. The quiet serenity of these groups is making the best possible use of the music talents Shore students possess.

Glee Club

They Try Their Best

Student Council

Will the meeting please come to order?—A hurried silence—"The secretary will now read the minutes."—"Will the treasurer please make a report?" — then — "Madam Chairman, my homeroom has made some suggestions for our cafeteria problem."—This is the voice of the students.

Anything to make their school life more pleasant is discussed pro and con. For so minor a complaint as the type of shows chosen, the Student Council found a cure by issuing ballots so that the students could vote on the pictures of their choice.

They gave dances with Austin Wylie's orchestra drawing the more bashful students out of their cloistered corners.

The Breeze was helped by the homeroom representatives assuming the responsibility of selling and collecting for the subscriptions.

A week was set aside in which this representative body cooperated with Mr. Peake in giving us a "Vocational Guidance Week." During this time speakers from different vocations enlightened the students on the chances in that field, the best method of approaching it, and talents required.

Under their willing and efficient sponsor, Miss Aingworth, the Student Council renders many other services. In all they do a splendid job in accomplishing their aim: to further the interest of our school by making it a more pleasant and profitable place to be.

Money's Their Business

Ad Committee

"I'll take the first quarter."—"Can you usher?"—"Did you see about the program?"—"You place these posters."—These scattered pieces of conversation are brief excerpts of the "Ad" Committee at work. Busy as bees they work consistently and steadily throughout the year to make every event run more smoothly.

Pausing a moment in our spirited cheering at the football game one notices a crowd milling around a central spot. If one follows the hunch that nothing will distract the public in exciting games—unless it is food—no doubt he will be right. Rushing down to see the cause of so much commotion, the "Ad" Committee is seen scurrying about behind the counter willingly serving refreshments to the demanding crowd. Regardless of how weary they must be or how exciting the game is, they serve you with a smile.

For years Mr. Spangler, their efficient sponsor, has seen that each event went off as smoothly as detailed and systematic planning beforehand could make it.

Two or three weeks before an event such as a play, every store window and paper has an advertisement. Our bulletins remind us of it daily. And in the meantime, programs, ushering assignments and reserved seats are being taken care of.

For each successful event we can thank the "Ad" Committee because every enterprise has its business side and they handle it successfully.

Breezing Along!

Breeze

Clanking presses—a flurry of papers—a general atmosphere of pleasant confusion—the Shore Breeze is ready to go to press. We see Mr. Vaughn, our versatile sponsor, hurriedly looking over last minute details.

What change has come over this newspaper since the days of Shore's infancy! Making its first appearance as a mimeographed scandal sheet, it remained that up until two years ago. Since then its improvements have made rapid progress.

Today as a four-page paper, with pictures, cartoons, editorials, sport section, fashion column, and sections devoted to P. T. A., Junior High, Clubs, and faculty as well as other interesting items, it has undergone such a process of change that would not be recognized.

It is printed in the Shore print shop, by Shore students, and it is entirely self-sufficient.

In fact the achievements have been so outstanding that it had the honor of International Second Place Award bestowed on it by the National Quill and Scroll, an honorary organization for high school journalism. Indeed the students of Shore can be proud of the progress made by this highly commendable paper.

Still Rolling Along

L o g

Worn and weary, after worrying and slaving, the staff finally completed the annual and somewhat reluctantly sent it to press! For long months every "brainy" idea had all been devoted to its progress. Somewhat wistfully they looked back upon the mad rushing before final writings—upon the numerous questions which were constantly being forced on them, such as, "Just what kind of pictures do you want?" . . . "How are subscriptions coming?" . . . "Have we reached our goal?" . . . "Are the ads coming in all right?" and far on into the night various other questions prompted at them constantly.

Then, last minute touches . . . and finally the send off. And all this time Mr. Angene, Mr. Phillips, Mr. Finch, and Mr. Vaughn their advisors were behind them every inch of the way giving them invaluable advice derived from past experiences, and, most of all, keeping their spirits up in crucial moments.

They have devoted their time and energy for one purpose, and that was to give you an Annual that you can be proud of and enjoy as much as they enjoyed making it.

The Joy of Being Editor

Getting out this little Annual is no picnic,
If we print jokes people say we are silly;
If we don't they say we are too serious.
If we clip things from other Annuals
We are too lazy to write them ourselves;
If we don't we are too fond of our own stuff.
If we don't print contributions
We don't appreciate true genius.
If we do print them the Annual is filled with junk.
If we make a change in the other person's write-up
We are too critical.
If we don't we are asleep.
Now like as not someone will say . . .
We swiped this from some Annual . . .

Admirals Conquer Again

Soon after the first of September about fifty boys answered the first call for the football team. It was around six returning lettermen that coaches "Walt" Schwegler and "Heinie" Schmidt built the team that was destined to become the Eastern Greater Cleveland Conference champions for the third consecutive year.

Here is how one of the best seasons in Shore football history went:

September 15 . . . The Admirals survived a hot, sultry day and emerged from the battle with a 25-0 decision over Benedictine hanging from their belts.

September 23 . . . The team boarded the streamlined "Mercury" and journeyed to Toledo to meet a highly-touted team from Central Catholic High School. Although the trip was pleasant, the game was not, as Shore returned to Cleveland smarting under a 20-0 defeat.

September 28 . . . Central was the opponent in a night game, the first in E. G. C. C. history, and they turned tail and fled after suffering an embarrassing 13-0 defeat.

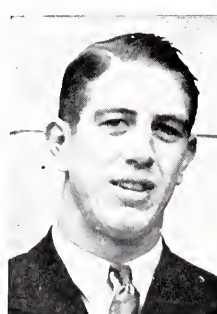

October 6 . . . After an opening-minute touchdown by a gallant Brush team, Shore's reserve power began to tell and the Admirals wound up with a 20-0 victory.

October 13 . . . This time the team traveled to Bedford and was greeted by a veritable gale. The powerful Admirals took an early lead, however, and kept piling

on points for a well-earned 32-0 victory. It was the second consecutive game in which every member of the squad participated.

October 20 . . . Shore went, saw, and was conquered by a strong University School eleven, 19-0. After an early threat, Shore was completely outclassed. The last half was witnessed by the team from the United States Naval Academy which was staying at University School in preparation for its game with Notre Dame the following day.

October 26 . . . Garfield held the Admirals even for three-quarters and then

the Shore team got going and came through with a hard-fought 7-0 victory, even without the services of Lenny Palko.

November 3 . . . Came the coldest day of the season, and the heavily-favored Shore eleven steam-rollered Mayfield by a count of 46-0 as Joe Curto tallied four touchdowns. The game was temporarily halted in the third quarter so that everyone might see the Byrd snow cruiser on its way East.

November 10 . . . The Maple Heights boys weren't as weak as expected. A second half rally pulled Shore from behind and they surged ahead, 32-13. With this victory, the Admirals chalked up their fifteenth straight league victory and their seventeenth in eighteen starts over the last three years.

Congratulations are in order for Lenny Palko, Joe Curto, Ed Bronaka, Al Bockel, Bill Ditrich and Bob Grossman who were selected for the All-Eastern Conference team.

*Conference games.

Just Like a "Ford"

Another basketball season has been completed, and again Shore is one of the leading teams in the state. When Coach Ford L. Case posted his first announcement for basketball practice, about forty boys answered the call. From these forty boys, ten were chosen who led the Admirals to a tie for the Eastern Conference Championship with a strong Galfield quintet.

Only two boys returned to the wars as lettermen: Alan Bockel, dependable back guard, and Joe Curto, high scoring running guard. The Shore boys completed the season winning thirteen games and losing only five. After trying for the Conference championship by coming out victorious in five of six games, the Admirals won two games in the sectional tournament and thereby advanced to the district tournament at Kent, where they were eliminated in the first game.

Shore 24, Kirtland 7 . . . The Admirals journeyed to Kirtland to play in the band-box gym there. Shore rallied in the last half to walk off with the game easily; Alan Bockel led the Admirals in scoring as he netted seven points.

Shore 31, Central 35 . . . The Admirals met the Lions in an exhibition game and were defeated. The game was close, but the long shots that were sunk by Skeya and Stock for Central proved too much for the boys to match.

Following this game, Shore played two practice games with Fairview and Fairport defeating each of them. The Admirals took over the former 41-29 and the latter 32-20.

The Admirals were active twice during Christmas vacation playing at Wadsworth and Youngstown. They were downed by one point at Wadsworth, 23-22, and then fought back to defeat Youngstown East 37-36. At this point of the season Emmet Shaughnessy brought home mumps which were also contracted by John Maldovan and Dale Metts. This unexpected turn of events did nothing to promote Shore's chances of completing the season with a good record.

The next week the underrated Admirals went to Ashtabula and handed them a 29-28 setback on a last minute shot by Ditrich. This game proved to be the only loss sustained by Ashtabula during the regular season.

Mumps Didn't Stop Them

(Continued from Page 57)

Shore 32, Garfield 37 . . . In their first Conference game of the season, Shore met and was defeated by a very tough Garfield team. The Bulldogs proved too much for the Admirals after Shore sported a temporary two point lead with only two minutes remaining.

Shore got onto the winning side of the slate in the next game by defeating Mayfield 29-22. The game was fast and amazingly clean as the Admirals held Mayfield well in check.

Shore 43, Maple Heights 28 . . . The Admirals played what was probably their best game of the season, and for the first time looked like the Shore teams of the past. The boys grabbed an early lead and were never topped.

Painesville was the next opponent for Shore and they proved just a little too tough, as the confident Admirals were rocked back on their heels, smarting under a 25-20 defeat. In the fourth quarter, the Admirals closed fast, narrowing the gap, from 22-11 to 20-20, but they didn't quite have the power to sink the winning buckets.

Shore 34, Central 19 . . . Shore atoned for an early season defeat by whipping their rivals from the other side of town. It was 5-5 at the quarter, and the boys led 11-10 at the half; then Ditrich tapped in five baskets in the third period and the Admirals led at the three-quarter mark, 30-14. With Shore playing only to protect their lead, Ditrich's fourteen points led the Admirals.

The next two games on the schedule were both Conference games. Shore defeated Brush, 43-28, as Ditrich again led the Admirals by swishing eleven points. Bedford was the next victim, falling before the Shore quintet 33-24, as the boys clinched a tie for the league title.

The Admirals closed their regular season with a 29-17 victory over John Hay. "Wilbur" Schwartz paced the victorious Admirals with nine points.

For the third consecutive year, Shore was host to the sectional basketball tournament. Shore was one of the four fortunate teams in this tournament to qualify for Kent. However, at Kent, Shore lost to St. Vincent's 43-25.

With this game the boys hung up their suits, having annexed another championship in one of the greatest years Shore has ever experienced in athletics.

Six lettermen answered the call of Coach Phillips for candidates for the hockey team. In addition to these six, there were about forty other hopefuls who came for tryouts. From this group of forty-odd boys, Mr. Phillips chose the team that was destined to be the runner-up to University School for the Scholastic Hockey Title. The fine showing of the team this season should arouse more support from the students in the future. The response to hockey was good, but not nearly as good as it should have been.

During the regular season of play, Shore won three games, lost one and tied the other three. Here is the season in brief:

Shore 1 Lakewood 1 . . . The Admirals were too inexperienced and were held to a tie by a weak, but fighting Lakewood team. After Bill Palko tallied early for Shore, Lakewood came back with a goal to even things up, and that's the way it finished.

Shore 1, University 5 . . . This was the worst loss sustained by Shore during the year and the only one during the regular season. The score was tied at 1-1 after the second period as a result of Paul Twohig's goal, but during the last session the Preppers turned on the heat for four quick goals.

They Won Almost Every Game

Shore 2, Cleveland Heights 2 . . . It was a close, nip-and-tuck battle all the way, and at the finish, the game was a tie, Shore's second one in three games. De Ewell and Bill Palko scored the goals after Heights had twice grabbed temporary leads.

Shore 5, Cathedral Latin 0 . . . This most lopsided victory of the season was handed to the team that the Admirals beat out by one point in the Suburban Division for second place. Lenny Palko played his first game of the season for Shore, and scored one goal; the others were made by Bill Palko, Paul Twohig, Darrell Wickson, and De Ewell.

Shore 2, Collinwood 1 . . . Collinwood led, 1-0, with only four minutes left to play, and the Shore playoff hopes sunk. Lenny Palko revived them a moment later, and De Ewell scored on a beautiful team play to repel the stubborn Railroaders.

Shore 4, Shaw 3 . . . Bill Palko went on a scoring rampage and knocked in three goals, while the clincher was fired by Paul Twohig in the dying minutes of the game.

Shore 1, Shaker 1 . . . The Admirals wound up the regular season by tying Shaker, 1-1. The boys were mildly disappointed at this, as they were seeking to atone for a 5-0 and 9-0 defeats at the hands of Mr. Allen Lewis in previous years. The one-point tie netted Shore, however, put them in the championship playoffs.

Shore 3, East Tech 2 . . . The Tech icers entered the game as favorites, but Bill Murray's goal in th overtime period gave the fighting Admirals the right to enter the final playoff game against the undefeated University School sextet.

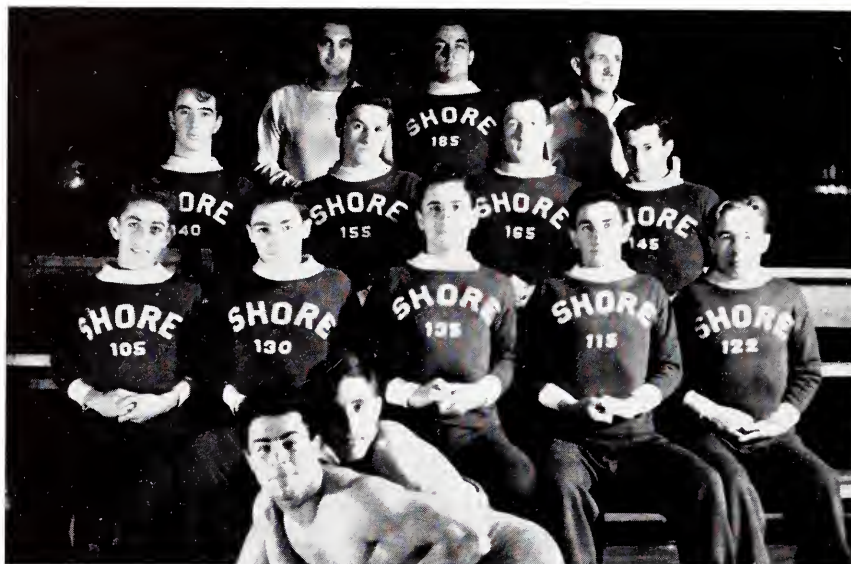

University 3, Shore 2 . . . This game decided the championship of the Greater Cleveland Scholastic Hockey League. University started fast and held a 2-0 lead with only two minutes remaining in the game. Shore still had fight and Paul Twohig scored unassisted to cut down the lead. University tallied again however, and Twohig's second goal wasn't quite enough.

Bill Palko, Paul Twohig, and Dick Schroeder, all of whom held the title of captain at some time during the season were given honorable mention on the All-Scholastic team.

Supermen at Shore

Wrestling is coming back! After almost dropping it from the school athletic curriculum last year because of lack of interest, Shore proved that they wanted a team both by the turnout of candidates and by the spectators, who previously had stayed away in droves.

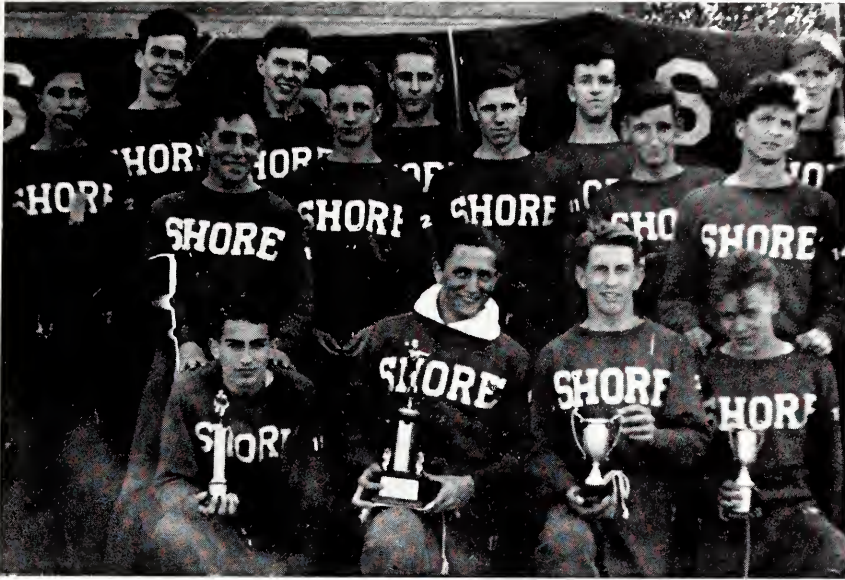

The team was considered to have a chance for the city championship when the season started as six lettermen returned. The boys came through in second place on the east side with five victories, two defeats, and a 16-16 tie with their arch-rival, Euclid Central.

Shore entered the city tournament with confidence, but they were virtually eliminated before they started because of unfortunate injuries to "Babe" Lipovec and Smith Parratt, two of the best wrestlers, during the preceding week.

Leonard Craft placed fourth in the city tourney for the second consecutive year, thereby earning himself another ribbon.

Going With the Wind

1939 Track

Shore opened their track season very inauspiciously by entering the indoor meet at the Arena and coming home with very few points. After this meet, however, the Admirals finished the season by coming out victorious in every meet including the Mentor relays and the Eastern Conference meet. The most decisive dual meet was the 113-5 drubbing the Shore team handed to Garfield.

The annual conference meet was held at Bedford with Shore coming out well on top. Johnny Maldovan scored a "double" in that meet as he sped home first in the 100 and 220 yard dash. Other winners for Shore were Bob Grossman in the pole vault, Paul George in the 440, the mile relay team made up of Jack Flammang, Gerry Mason, Milan Plutt, and Paul George, and the 880 yard relay team which consisted of Ed Heglaw, Bud MacDougall, Ralph Harper, and John Maldovan.

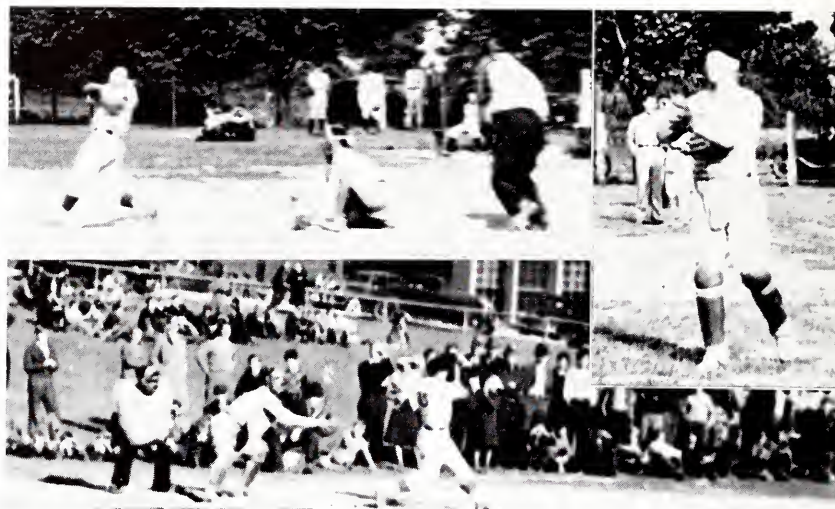

Shore brought four trophies home from this meet: one for the squad finishing with the most points, one for the mile relay, one for the 880 relay, and one for the freshman relay. The only trophy that Shore did not capture was the one awarded to Bedford for second place in the meet.

After winning the pole vault at Bedford, Grossman went on to place in the district qualifying meet, thereby earning himself a trip to Columbus for the state meet where he tied for fourth place.

The final results of the tenth annual Conference track meet:

Shore	67

Brush	42
Maple Heights	32
Mayfield	25

It's A Hit!

1939 Baseball

A squad of eighty-eight boys answered Coach John Pohto's call for baseball practice. Seven new boys were needed to fill the gaps caused by graduation. Coach Pohto's success in filling these gaps is proved by glancing at the record for the season.

Shore entered the season as defending champions and proceeded to win seven out of eight league games to tie Benedictine for the Eastern Division title. In a playoff for the championship, Shore was defeated by Benedictine, 6-5.

The success of baseball at Shore is proved by the fact that the Admirals have won '18 out of 20 games in the two years since they entered the league. They lost the first game of the 1938 season, went on to capture the title, and then went undefeated in league play until the next-to-the-last game of 1939, when they were smitten by Benedictine.

The season was featured by the hitting of center fielder George Skrobot, left fielder "Babe" Lipovic and shortstop Harvey Riebe, and the great pitching delivered by a trio of fine pitchers, Bob Jason, Joc Curto, and John Maldovan.
